

Chimney fire signs

- A chimney fire produces excessive smoke.
- Burning embers may fall down the chimney.
- Flames or sparks may be visible from the top of the chimney.
- A loud roaring noise may be audible.

A chimney fire can turn into a house fire if not dealt with!

If a fire breaks out in your chimney or stove

- Get out.
- Call 112 or 999 without delay.
- Ask for the fire Service.
- Speak calmly and clearly.
- Give your address and phone number. If you are calling on your mobile, say what county you are in.
- Only hang up when the operator tells you to.
- Stay out.
